Paralegal Studies Program

LSU Paralegal Studies Certificate Program

Approved by the American Bar Association

What is a paralegal?
A paralegal is the “right hand person” of an attorney. Paralegals assist attorneys in many ways—doing legal research, writing briefs and memoranda, interviewing clients and witnesses, summarizing depositions, drafting pleadings, and doing investigative work—just to name a few. Paralegals must work under the supervision of an attorney and are not allowed to give independent legal advice, represent clients in court, or settle claims on behalf of clients. Paralegals who do so may be charged with the crime of unauthorized practice of law. Paralegals work in law firms, corporations and government agencies.

Description and Objectives of the LSU Paralegal Studies Program
The LSU Paralegal Studies Program began in 1982. It is a college-level, non-credit program leading to a Certificate of Paralegal Studies. Upon completing the curriculum a student should be able to demonstrate certain knowledge and skills, including the following:
1. Understand the structure of both state and federal judicial systems.
2. Analyze (by “briefing”) reported legal opinions.
3. Research legal problems using primary and secondary resources.
4. Write clear, effective legal memoranda, using proper citation form.
5. Interview clients and witnesses.
6. Understand the procedure in a civil suit and draft appropriate pleadings.
7. Be familiar with basic concepts of business organizations and contract law.
8. Recognize the ethical standards of the paralegal profession.

Special features of the LSU Paralegal Studies Program
• This program is the only non-credit paralegal program in Louisiana approved by the American Bar Association.
• All classes are held in Baton Rouge on the LSU campus.
• The program offers the “best of both worlds”: the resources of the state’s largest university and the personal attention of a small, student-friendly program.
• All teachers are experienced lawyers, judges or paralegals with extensive experience in the classroom and working with paralegals.
• Paralegal students enjoy the following student services: student health center, residential housing, use of the LSU law library and LSU Middleton library.
• The program is guided by an advisory committee of dedicated paralegals, lawyers and other interested people.

The Curriculum
In order to earn the paralegal certificate, a student must take five required courses, three paralegal electives, the internship, the one-day legal ethics seminar, and a court day. The required courses, each of which is offered during every fall and spring semester, are as follows:
• Principles of Paralegal Studies
• Legal Research
• Legal Case Analysis & Writing
• Civil Litigation
• The Practicing Paralegal
• Internship
• Ethics Seminar
• Court Day

Students choose three electives from the following list (not every subject is offered every semester):
• Administrative Law
• Bankruptcy
• Business Organizations/Contracts
• Civil Litigation II
• Computerized Legal Research (Day)
• Criminal Law & Procedures
• Employment Law
• Environmental Law
• Family Law
• Intellectual Property
• Legal Investigation & Interviewing Skills

• Real Estate Law
• Technology Tools for Paralegals (Day)
• Trial Presentation (Day)

What is the paralegal internship?
The internship is a supervised “field” experience in which the student works as a paralegal in a local law office, government agency or corporation. Students do their internship in their final semester of the program and are given a choice of about 40 different sponsors. The internship consists of a total of 150 hours; 140 hours of hands-on work at the internship site and 10 hours of meetings and workshops designed to support and enhance the internship experience.

How long will it take to earn a certificate?
We offer two program-length options:
• The full-time program (students take four or five classes for two regular semesters).
• The part-time program (students take two classes a semester for five regular semesters).
Most classes are conducted at night, with the exception of the Legal Ethics Seminar, Court Day and three of the electives.

What are the admission requirements?
The majority of the paralegal students have already earned a bachelor’s degree, and it is recommended that students complete their bachelor’s degree before earning a paralegal certificate. However, students will be considered for admission without a bachelor’s degree if they meet these requirements:
• At least 45 semester hours of college credit from an accredited college or university (remedial courses do not count).
• At least a 2.3 grade point average.
• 18 of the 45 hours of college credit must be “general education” courses, which means they are from at least three of these disciplines:
  • social sciences
  • natural sciences
  • math
  • humanities
  • foreign languages
  • English
• Successful completion of a standardized aptitude test.
